BENNINGTON COUNTY, ss.

NOW COMES Amanda L. Thomson, affiant(s), being duly sworn and on oath, deposes and says (s)he has probable cause.

The undersigned being duly sworn, deposes and says that I, Amanda L. Thomson, am now and have been for the past 6 years and 11 months, a full time employee of the ~~Vermont State~~ ^{Bennington} Police, being presently assigned to the Day Shift as a Patrol Officer.

This affiant has personal knowledge, based upon my experience and training, of the following:

On Thursday, June 14, 2018, at 13:07 hours, I executed a search warrant for the backyard of 218/220 Washington Avenue, Bennington, VT 05201 for a stolen utility trailer. The owner of the trailer, who is identified as Joshua Capelle DOB 07/28/1989 opened the rear door to his utility trailer before it left the scene. Joshua identified the items in the trailer did not belong to him and were not in the trailer at the time it was stolen. The items found in the trailer were two motorcycles, pressure washer, back pack, and multiple tools. The two motorcycles were confirmed to be stolen. It is believed the other property located is stolen. Detective Sgt. Cole returned to 218 Washington Avenue after this property was secured. Detective Sgt. Cole asked Tiffany Sherman DOB 07/01/1980 if she would come to the police department and talk about the stolen property located in the utility trailer. Tiffany came to the police department and spoke with this officer and Detective Sgt. Cole. Tiffany said she has had multiple conversations with a male she identified as Christopher Main 09/23/1962 about him stealing property from numerous places including businesses and private properties. Tiffany said she saw Christopher back the utility trailer that belonged to Joshua down her driveway in his vehicle. Tiffany said Christopher had said he just needed a place to store it. Tiffany said Christopher has told her he has stolen multiple bottles of wine, dvd's, cd's, and tools. Tiffany said Christopher tells her that he uses illegal drugs and that he has a room inside his residence he keeps locked where he stores the drugs. Tiffany said Christopher has shown her these items personally while she was hanging out with him in his house. Tiffany explained that Christopher lives across the street from her. Tiffany said Christopher has a green pressure washer inside his house and he told her he had stolen. Tiffany said Christopher told her he has a stolen motorcycle and that it is the color of yellow. It should be noted that one of the stolen motorcycles located today is the color yellow. It also should be noted the owner of the yellow stolen motorcycle also had a brand new green power washer stolen. The two stolen motorcycles were stolen from the same neighborhood and one block over from where Christopher lives. Tiffany said Christopher's residence is full of stolen property. Tiffany said the last time she was at Christopher's residence was two days ago. Tiffany said she saw the items she has described to me when she was inside Christopher's house two days ago. Please see attached dvd of Tiffany's interview.

Based on the foregoing facts and information, this affiant has probable cause to believe that the evidence of Wine Bottles, Large Bottle of Jack Daniels, DVDs, CD's, Vermont motorcycle registration plate, Tools, Washer, Dryer, Refrigerator, Grill, green Pressure Washer(Sun Joe) 200 PSI/Electric, and illicit drugs will be found.
